Arlene & Jerome are a husband & wife fitness team, also known as “Zumbajear” and are certified Zumba® Fitness instructors. Jerome has taught at various fitness clubs throughout the city of Jacksonville and has instructed Zumba® classes at two popular YMCA locations in the city! This Zumba® instructor has a strong following and is dedicated to his students. He’s been a certified group fitness instructor for 20 years, is AAFA certified and every class he instructs turns into a workout party!

Arlene works out diligently side by side with her husband (if you can’t beat ‘em – join ‘em! – right?) and is dedicated to the “Ditch the workout and join the party!” philosophy. Helping others get / stay fit has become her passion. Her energy is contagious!

April 17, 2010 – believing that fitness should be affordable for everyone, they opened their own group fitness studio and named it Studio Jear! (“JE” for Jerome & “AR” for Arlene) and have been going strong ever since. “Our goal is simple: we want you to have fun working out – to love it! If you love it, you will stick with it which equals results!” A fit body is made up of more than just the physical – it’s mental and spiritual as well. At Studio Jear – you can work out all 3 with no membership fees or contracts! The rest as they say is HIS and HER STORY!!!

COME BE A PART OF OUR STUDIO JEAR FAMILY – WE’LL NOT ONLY CHANGE YOUR BODY BUT YOUR MIND & SPIRIT AS WELL!! WE ARE “MORE THAN JUST A WORKOUT!”

**NO MEMBERSHIP FEES OR CONTRACTS – EVER!**
